## SHAREHOLDERS CIRCULAR / EXPLANATORY NOTES

### AGENDA ITEM 2A | APPROVAL OF THE COMBINATION PURSUANT TO SECTION 2:107A DUTCH CIVIL CODE

#### Introduction

On 5 August 2019, the Boards and the Just Eat plc Board announced that they had reached agreement on the terms of a recommended all-share combination pursuant to which the Company would acquire the entire issued and to be issued ordinary share capital of Just Eat plc to form the Combined Group by means of a Scheme.

The Takeaway.com Boards announced on 4 November 2019 that the Combination will be implemented by means of the Takeaway.com Offer. Subsequently, on 20 November 2019, the Company published its Offer Document and a prospectus supplement to its prospectus dated 22 October 2019. Copies of the Offer Document, the prospectus and the prospectus supplement may – subject to the restrictions set out therein – be obtained in electronic form from the Company's website at <https://corporate.takeaway.com>.

The below sets out, among other things, a summary of the terms of the Combination, as currently provided for in the Offer Document. This summary does not intend to provide a complete overview of the terms of the Takeaway.com Offer. The terms of the Combination may, within the limits of applicable law, be subject to change after the date of this Agenda and Shareholders Circular. In case of a material change to the terms of the Takeaway.com Offer, the Company will inform its shareholders of such change by way of a public announcement.

#### Background to and reasons for the Combination

As stated in the announcement of the Combination made on 5 August 2019, the Management Board and the Just Eat plc Board believe that the Combination is a highly compelling opportunity to create a combined business that will benefit from:

- creating one of the world's largest online food delivery platforms with 355 million orders<sup>1</sup> worth EUR 7.3 billion in 2018;<sup>2</sup>
- a strong founder-led management team with 40 years of combined experience in the sector;
- strong leadership positions in many of the world's largest food delivery markets, including the United Kingdom, Germany, the Netherlands and Canada;
- a platform built around two of the world's largest profit pools in food delivery, the United Kingdom and the Netherlands;
- ability to deploy capital and resources to strengthen its competitive positions as the Combined Group determines appropriate; and

---

<sup>1</sup> Excluding Just Eat's operations in Brazil and Mexico.

<sup>2</sup> Pro forma for the acquisition of the German Delivery Hero Businesses and 10bis as if they were consolidated for the 12 months of 2018.

- operating leverage: greater ability to leverage investments, in particular in technology, marketing and restaurant delivery services across the combined business.

### **Financial benefits and effects of the Combination**

Following preliminary analysis undertaken by the Management Board and the Just Eat plc Board, meaningful cost benefits have been identified which reinforce the strategic rationale for the Combination and the value creation opportunity for shareholders of the Combined Group. The key driver of the identified synergies is the efficiency opportunities that the Combined Group will be able to realise given the complementary nature of the businesses.

The Management Board and the Just Eat plc Board, having reviewed and analysed the potential cost benefits of the Combination, and taking into account the factors they can influence and the current terms of the Combination, believe that provided that the Company acquires 75 per cent. of the share capital of Just Eat plc, the synergy plan will be executed which will result in recurring annual pre-tax cost benefits of approximately €20 million (£18 million) by the fourth anniversary of the completion of the Combination, with around €10 million (£9 million) expected by the first anniversary of the completion of the Combination<sup>3</sup>.

### **Summary of terms of the Combination**

Under the current terms of the Combination, which is subject to certain conditions described below and to the full terms and conditions which are set out in the Offer Document, Just Eat Shareholders will be entitled to receive:

#### **0.09744 New Takeaway.com Shares in exchange for each Just Eat Share**

Immediately following completion of the Combination, assuming full acceptance of the Takeaway.com Offer, Just Eat Shareholders will own approximately 52.12 per cent and Shareholders prior to the Combination becoming effective will own approximately 47.88 per cent of the share capital of the Combined Group (based on the fully diluted ordinary issued share capital of the Company (but excluding dilution from any conversion of the Convertible Bonds) and the fully diluted share capital of Just Eat plc, in each case, as at 28 November 2019, being the latest practicable date prior to the publication of this Agenda and Shareholders Circular).

The Combination is expected to become effective on the Effective Date.

Applications will be made to: (i) the FCA for all of the issued and to be issued Ordinary Shares (including the New Takeaway.com Shares) to be admitted to the premium listing segment of the UK Official List and also to the London Stock Exchange for the Ordinary Shares to be admitted to trading on its main market for listed securities; and (ii) Euronext Amsterdam N.V. for the New Takeaway.com Shares to be listed and admitted to trading on Euronext Amsterdam. It is expected that the UK Admission will become effective, and dealings for

normal settlement in the Ordinary Shares will commence, on or shortly after the date that the Takeaway.com Offer becomes unconditional in all respects.

The Combination will be subject to the conditions (the "**Conditions**") summarised below and to the full terms and conditions, which are set out in the Offer Document, including, amongst other things, upon:

- sufficient valid acceptances being received by the Company. The Company has the right to unilaterally set this condition (after, to the extent necessary, consultation with the Panel) at any percentage less than 75 per cent. in nominal value of the Just Eat Shares and of the voting rights attached to those shares, provided that such percentage shall in all cases require the Company to have acquired or agreed to acquire (whether pursuant to the Takeaway.com Offer or otherwise) Just Eat Shares carrying in aggregate more than 50 per cent. of the voting rights then normally exercisable at general meetings of Just Eat plc.;
- the Competing Offer Condition;
- the resolutions referred to under agenda items 2a through 2i being passed by the requisite majority of shareholders at the EGM and Gribhold having provided its prior written consent to the amendments to the Articles of Association to be proposed to the EGM which are required to give effect to the Combination; and
- the UK Admission and the NL Admission becoming effective or the FCA, the London Stock Exchange and Euronext Amsterdam N.V. having given certain acknowledgements to the Company or its agent regarding the UK Admission and the NL Admission.

### **Risks related to the Combination**

The material risks and uncertainties relating to the Combination are as follows:

- the Combination subjects the Company, Just Eat plc and the Combined Group and their investors to potential significant risks as a result of the integration process and unanticipated liabilities which may result in a material adverse effect on the business, results of operations, financial condition and prospects of the Combined Group and the market price of the Ordinary Shares;
- the implementation of the Combination is subject to the satisfaction or waiver, where applicable of a number of conditions; and
- the intended delisting of the Ordinary Shares from Euronext Amsterdam may result in non-compliance with the terms and conditions of the convertible bonds and in Shareholders not being able to hold Ordinary Shares.

### **Approval requested**

It is proposed to approve that the Company enters into the Combination.

Under the terms of the Combination, unless otherwise amended, adoption by the General Meeting of the resolution set out in this agenda item 2.a is a condition to completion of the Combination.

**AGENDA ITEM 2B | AMENDMENT OF THE ARTICLES OF ASSOCIATION OF THE COMPANY**

The May 2019 Amendment Resolution has not yet been implemented. Subject to the Articles of Association having been amended in accordance with the proposal set out in this agenda item 2.b (the "**Amendment Condition**"), the May 2019 Amendment Resolution will be replaced by the resolution set out in this agenda item 2.b.

The resolution set out in this agenda item 2.b is subject to (i) adoption by the General Meeting of the resolution set out under agenda item 2.a (the "**Approval Condition**") and (ii) the occurrence of the Effective Date.

- (vii) The Company may terminate Paul Harrison's appointment as a member of the Management Board on 12 months' notice or immediately by making a payment in lieu of his base salary for his 12-month notice period (or, if relevant, any part of it which he does not serve). If Paul Harrison resigns from his position as a member of the Management Board, 12 months' notice shall also apply in which case he shall also be paid for that notice (or to payment in lieu for any part of it he does not serve). In the event the Supervisory Board proposes to the general meeting of the Company the removal of Paul Harrison as a member of the Management Board, or if Paul Harrison is removed as a member of the Management Board by the general meeting (other than Paul Harrison not being reappointed by the annual general meeting of the Company), the notice period, or corresponding payment in lieu of notice, referred to in the first sentence shall be extended by three (3) months, to fifteen (15) months in total.

He will receive awards over a maximum of 23,178 Ordinary Shares under the New PSP to replace the proportion of his Just Eat plc awards which will lapse as a result of the Combination due to either time pro-rating or performance assessment (the “**Transition Awards**”). Transition Awards granted to replace 2018 awards will vest, subject to post-vesting holding periods and the assessment of performance conditions (which are weighted as 75% revenue growth and 25% relative TSR). Transition Awards granted to replace 2019 awards will vest, subject to post-vesting holding periods and the assessment of performance conditions (which are weighted equally between measures of revenue growth, relative TSR and growth in adjusted EPS). Further details of the performance conditions for Transition Awards granted to Paul Harrison in respect of 2018 or 2019 PSP awards are to be determined by the Supervisory Board on the basis of a proposal of the Remuneration Committee. Transition Awards will vest in accordance with the below:

On vesting and release, the released Ordinary Shares will be issued or transferred to the STAK to hold for Paul Harrison's benefit, and the STAK will issue him DRs representing such shares.

- (ii) Paul Harrison's outstanding awards over 28,360 Just Eat plc shares, granted under the Just Eat plc Deferred Share Bonus Plan, will be automatically rolled over into awards over 2,763 Ordinary Shares, that will vest in equal tranches over the three years following their original grant date (the “**Rollover Deferred Shares**”). For the Just Eat plc financial year that ends on 31 December 2019, Paul Harrison may be granted an annual bonus of up to 150% of his base salary of GBP 463,500, determined in accordance with Just Eat plc's remuneration policy as of the date of this Agenda and Shareholders Circular and calculated as if Paul Harrison had served as a Just Eat plc director for the Just Eat plc financial year that ends on 31 December 2019. Any such bonus will be satisfied in cash for an outcome up to 75% of Paul Harrison's base salary. Above this level, Paul Harrison will be granted a corresponding award over Ordinary Shares under the New DSBP (the Ordinary Shares awarded being the “**2019 Deferred Shares**”). This deferred share award will vest over a three year period from the grant of the award, with one-third of the award vesting and capable of being released at each annual anniversary of grant.

On vesting and release, the Rollover Deferred Shares and the 2019 Deferred Shares will be issued or transferred to the STAK to hold for Paul Harrison's benefit, and the STAK will issue him DRs representing such shares.

## RECOMMENDATION BY THE BOARDS

As part of the process that led them to agreeing to the Combination and to now recommending unanimously that the Company's shareholders approve the Combination and all other resolutions, the Boards considered the financial and non-financial consequences of the Combination in consultation with the advisors of the Company. The Boards, having duly considered the relevant strategic, economic, financial and social aspects, determined that the Combination is in the best interest of the Company and all its stakeholders, including the Company's shareholders.

Therefore, the Boards unanimously recommend that the shareholders of the Company vote in favour of the Combination and the other resolutions to be proposed at the EGM. Each member of the Management Board has issued an irrevocable undertaking to Just Eat plc to vote, in their capacity as either direct or indirect shareholder of the Company, in favour of the Combination and the resolutions referred to under agenda items 2.a through 2.i (collectively representing in aggregate approximately 25.97% of the ordinary issued and to be issued share capital of the Company on 28 November 2019, being the latest practicable date prior to the publication of this Agenda and Shareholders Circular).

In connection with the Combination, BofA Securities and Gleacher Shacklock are acting as financial advisors to the Company. Slaughter and May and De Brauw Blackstone Westbroek N.V. are acting as legal advisors to the Company.
