Takeaway.com partners with McDonald's in the Netherlands

Takeaway.com N.V. (AMS: TKWY), hereinafter the “company”, or together with its group companies “Takeaway.com”, the leading online food delivery marketplace in Continental Europe and Israel, further strengthens its global partnership with McDonald's with today's expansion to the Netherlands.

The first McDonald's restaurant offering McDelivery via Takeaway.com's Dutch brand [Thuisbezorgd.nl](https://www.thisbezorgd.nl) is in Maastricht and it is intended to expand the partnership to more Dutch cities in 2020.

McDonald's is already available to Takeaway.com customers in Germany, Poland, Belgium and Bulgaria.

Takeaway.com's couriers are employed, insured and paid well above minimum wage. In most cities, our riders are provided with e-bikes, which is an environmentally friendly mode of transport that offers the additional benefit of faster delivery times than regular bicycles.

The roll-out of Scoober continued with the expansion to 18 additional European cities in the fourth quarter of 2019. Scoober is now active in 91 cities in ten countries. Takeaway.com will continue to invest in the expansion of Scoober to more cities.
